YESHIVA ZICHRON ARYEH

TRANSFER OF CREDIT POLICY

Credits may be granted, at the discretion of the Yeshiva, for study and courses taken at another postsecondary institution of Talmudic Studies providing the following conditions are met:

- The credits transferred must be based on course work similar in content, style and academic rigor to the one offered at the Yeshiva.
- The student must have achieved a grade that would have enabled him to pass a similar course at the Yeshiva.
- The student must have maintained a minimum GPA of 2.0.
- All credits must be properly documented.

An evaluation may be performed that assesses the student's competency in reading and interpreting Talmud and measures analytical skills and critical thinking and reasoning abilities. The evaluation ascertains the level and type of study appropriate for the students in Yeshiva Zichron Aryeh. The student is then awarded credits by evaluation.

Yeshiva Zichron Aryeh will grant a maximum of ninety transfer credits towards Yeshiva Zichron Aryeh's undergraduate degree, for transfer coursework submitted.

To earn a First Talmudic Degree at Yeshiva Zichron Aryeh, students must fulfill a minimum academic residency requirement of two academic years, or sixty credits earned at Yeshiva Zichron Aryeh.

Yeshiva Zichron Aryeh has an agreement with Ohr Hatzafon, an affiliated school in Israel. Students who transfer into Yeshiva Zichron Aryeh from Ohr Hatzafon will be awarded up to 120 credits and will only have to earn 30 credits in residency at Yeshiva Zichron Areyeh.

Transfer credits accepted are counted toward both the number of attempted credits and the number of credits earned by the student.

Yeshiva Zichron Aryeh does not have any articulation agreements with regard to whether the Yeshiva will accept credits from other institutions nor with regard to whether other institutions accept the Yeshiva's credits. Before enrolling in the institution, students should be sure that their attendance will help them reach their educational goals.

Please be advised that the transferability of credits and acceptance of the degree earned at Yeshiva Zichron Aryeh are at the complete discretion of an institution to which a student may seek to transfer. If the credits or the degree earned at this institution are not accepted at the institution to which a student seeks to transfer, he may be required to repeat some or all of the coursework at that institution.
